OFFICIAL

FEBRUARY HEALTH EDUCATION AND WELLNESS PROGRAM—HEART ATTACK AND STROKE—SYMPTOMS AND TREATMENT: Coronary heart disease (CHD) is the number one killer of both men and women in the US. Each year more than 500,000 Americans die of heart attacks. Prompt recognition and treatment is the key to survival. February's packet will include information on symptoms and immediate treatment of heart attack and stroke, including CPR instructions. (January's packet has information on risk factor reduction and prevention of heart disease). Both packets are available, in February, at all medical facilities and upon request to Carol Roth, 867-3414, CHS-005, email **Roth-1, Carol**. (JJ-C)

FEBRUARY'S VISION SCREENING: Visual Acuity and Glaucoma Testing
Tuesday February 22 11 a.m. – 1 p.m. OHF (Occupational Health Facility) (JJ-C)

COLORECTAL CANCER SCREENING, with Hemoccult slide kits, is available at all medical facilities during hours of operation. (JJ-C)

BLOOD PRESSURE SCREENING: Available at all medical facilities during hours of operation. (JJ-C)

SCREENING MAMMOGRAMS for breast cancer are available at KSC, southwest corner of parking lot, behind HQ Bldg. Call 1-800-367-1870 for an appointment. (JJ-C)

WORKSITE LECTURES on any health subject upon request. Individual counseling, including smoking cessation, is available by appointment or on a walk-in basis. Carol Roth, OHF, Room 923, 867-2026, email **Roth-1, Carol**. (JJ-C)

KSC FITNESS CENTERS LUNCH AND LEARN—EXERCISE AS WE AGE: Do you feel like you are getting too old to exercise? Are you getting enough calcium in your diet? Do you feel like every time you exercise you feel a new pain? Well, the KSC Fitness Centers are offering a new Lunch and Learn series focusing on **Exercising as We Age**. This Lunch and Learn series will help you safely participate in your exercise routine, no matter what age you are. Whether you are presently participating in an exercise routine, or even thinking of starting, this Lunch and Learn will guide you through the proper nutrition, stretches, and exercises needed to maintain a healthy body as we age. Don't miss the **Lunch and Learn Main Event** in the O&C Fitness Center's Aerobic Studio on Thursday, February 24, from 12 noon – 1 p.m. The **Main Event** will feature guest speaker Dr. Chris Stopka from the University of Florida's Department of Exercise and Sport Sciences. To sign up, or for more information, call the O&C Fitness Center at 867-7829, or email **Erik.Nason-1@ksc.nasa.gov**. (JJ-C)

FLAGS AT HALF STAFF: The flags of the United States flew at half staff at the Kennedy Space Center on Thursday, February 10, 2000, in memory of Mr. William H. "Bill" Kempton, an Engineering System Specialist with USA. Mr. Kempton died on February 5 and his funeral was on February 10. (FF-S1-B)

EMPLOYEE ASSISTANCE PROGRAM: All employees are reminded that the Employee Assistance Program offers free, confidential counseling to all Kennedy Space Center and Cape Canaveral Air Station employees. Appointments are necessary to ensure adequate time. This program is available Monday through Friday, 7:30 a.m. to 4:00 p.m. Appointments may be made by calling 867-7398. (JJ-C)

MISUSE OF OFFICE COPIER PAPER: Paper delivered to the Lanier copiers must not be used for any purpose other than making copies on Lanier copiers. The costs of the machine, maintenance, and all other supplies (staplers, toner, etc.) are included in the cost of office copy paper; this paper is six times more expensive than paper issued for typing, fax machines, or laser printers. Paper for typing, faxing, and laser printers should be requisitioned from your Logistics Service Center, under Stock No. 7530-01-335-2623. Contact Ann Gary, 867-4257 if you have any questions. (FF-S1-A)

MINI-INSURANCE CARRIER VISIT: A Mini-Insurance Carrier Visit for KSC Federal employees is scheduled for February 29, 2000. Attending this visit will be the local representatives for: Blue Cross & Blue Shield, Humana, Foundation, GEHA, and Prudential. Representatives will be located in the HQ Building, Room 3358, from 9 a.m. to 11 a.m. On March 1, 2000, Mr. Bob Kuhl from Mail Handlers' Benefit Plan will be visiting us and will be located in HQ Building, Room 1404, from 9 a.m. to 11 a.m. Service Representatives will be available to answer questions and/or assist employees who are having difficulties or have specific questions concerning their Health Benefits coverage. (HM)

ENVIRONMENTAL & ENERGY AWARENESS WEEK 2000: Mark your calendars, April 18-21 to celebrate Environmental and Energy Awareness Week from 9 a.m. to 3 p.m. The event will focus on alternative fueled vehicles (AFV), energy conservation, ecosystems, animal exhibits, recyclable products at home, and design for the environment. **Free T-shirts and AFV rides will be awarded.** On April 18 activities will be in the Kennedy Space Center Industrial Area; April 19—Launch Complex 39 Area; April 20—Cape Canaveral Air Force Station/Hangar F; and, April 21—Patrick Air Force Base/Hangar 750. Show your support and commitment to a Clean Environment in the 21st Century by participating this year. Watch for upcoming announcements for further details. (JJ-D)

MERRITT ISLAND NATIONAL WILDLIFE REFUGE: Guided Bird Watching Tours every Thursday through March, 2000, 9 a.m. – 12 noon. Meet at Refuge Visitor Center on S.R. 402. Suggested items to bring: binoculars, camera, spotting scope, field guides, bug repellent and a snack. For more information about Thursday tours and special Sunday tours, call 861-0667. (FWS)

VOLUNTARY LEAVE TRANSFER PROGRAM: The leave transfer program is one of the most popular benefits. To qualify for this program, an employee must establish the existence of a medical emergency (for self or family members) which is expected to result in a requirement for at least 3 days of leave without pay, after the use of existing annual and/or sick leave (earned, not advanced). Leave transfer requests must include documentation from a physician on the medical condition and an estimate of the employee's projected length of absence. If an employee wishes his/her participation in the program announced in the KSC Bulletin, or within his/her organization, he/she may include such a statement in the letter of request. Affected employees would normally initiate requests for a declaration of a medical emergency through supervisory channels; however, if they are unable to do so, their supervisor, family members, or co-workers may initiate the request. Employees wishing to donate leave may do so, subject to certain restrictions. Only earned annual (or restored) leave may be donated, and total donations of leave may not exceed one half of that which would be earned in the remainder of the current leave year. Employees wishing to donate leave are strongly encouraged to donate at least 8 hours at a time, since the effort involved in processing leave transfers is significant. Leave donor forms are available in the HM-A-3 Office and in most Administrative Offices. Donations of leave should be sent directly to HM-A-3, Room 1416, Headquarters Building. Requests for leave transfer are treated as confidential, unless the employee states otherwise. The names of donors are anonymous and will not be released except as needed to process the donation. If you have questions about the program, you may call Kathy McIntosh at 867-2504 or stop by the Personnel Office Operations Branch, HQ, Room 1404. (HM-A-3)

POSTAGE PAID ENVELOPES: The use of postage-paid envelopes to file job applications is prohibited. Specifically, the Office of Personnel Management (OPM) has stated that it is improper to use postage-paid agency envelopes to file job applications for competitive examinations and agency merit promotion/competitive placement plans, or to appeal ratings received under these programs. OPM considers such use of Government envelopes to be personal, not for official business only, and, therefore, a violation of OPM and U.S. Postal regulations pertaining to the use of Government property. (HM-A-3)

REQUESTS FOR NONSTANDARD FILING SUPPLIES: Requests for "hanging" file folders (such as Pendaflex, or equal) will not be approved for general use at KSC. These nonstandard folders and their supporting frames are expensive and consume approximately one-third more file space than the standard filing supplies approved by General Services Administration (GSA). The purchase of nonstandard items is prohibited unless justification for exception, e.g., when standard items will not meet the storage and retrieval requirements of the user, is submitted and approved. (FF-S2-A)

NPG 7120.5A PR CERTIFICATION: Effective March 26, 1999, NASA policy requires all Procurement Requests (PR's) to be accompanied by a certification stating either that the purchase request action "is" or "is not" in support of the programs and projects subject to the requirements of NASA Procedures and Guidelines (NPG) 7120.5A, NASA Program and Project Management Processes and Requirement. If the action is in support of a program or project that is subject to the NPG, the certification must then indicate whether: a) all NPG 7120.5A documentation is current and approved, or b) authority to release the solicitation without the required documentation has been granted. An acceptable certification format is located immediately under the internal KSC OP Procurement Home Page header at: <http://www-op.ksc.nasa.gov/procurement/op.htm>. PR's not accompanied by the required certification will not be processed in the Procurement Office until such certification is received. (OP-AMO)

NASA/JBOSC OUTBOUND SHIPMENTS: To help ensure that all users of the JBOSC Shipping Department have their requirements met, the following procedure must be adhered to: Shipments processed through the JBOSC Shipping Department are for official government business only. Personal shipments are not authorized. All shipments must be accompanied by a properly completed shipping request document (KSC Form 7-248 or DD-1149). Carrier freight bills without the proper KSC forms will not be accepted. Shipments involving hazardous materials must have a Material Safety Data Sheet (MSDS) or other technical data sheet. Small priority/overnight shipments, including letters, must be received in the JBOSC Shipping Department no later than 2 p.m. or they will be processed on the following workday. Large priority shipments and/or shipments requiring extensive packaging must be received at least 48 hours prior to the required date at destination. Government property tagged items need to be routed through the proper Property Control Office before requesting the shipment and/or, if required, accompanied by a copy of a property custodian's approved KSC Form 1602. If you have any questions or require further information, call the JBOSC Shipping Section at 867-3501 or 867-7998. (LO-SOD-1)

KSC LOCATOR: Personnel at KSC are reminded, when submitting KSC Form 13-58 (Employee Locator Information) to KSC-Locator, to verify all information including the telephone directory information block. Monthly updates to the Locator printouts should be complete. This includes the "Telephone Directory" column. The letter "T" in this column indicates that the name appears in the telephone directory. Home phone numbers will not be printed in the telephone directory unless a signed Form 13-58 is submitted. (FF-S2-A)

PRIVACY ACT NOTICE: When Privacy Act Information (Social Security Numbers, etc.) is created, place NASA Form 1534, "THE ATTACHED MATERIAL IS SUBJECT TO THE PRIVACY ACT OF 1974, AS AMENDED," over the information. If Privacy Act information is to be sent to another individual or office, a "TO BE OPENED BY ADDRESSEE ONLY" envelope, KSC Form, 13-242 (as revised), must be used. (FF-S2-A)

MESSENGER ENVELOPES (STANDARD FORMS 65 B & C) USERS: All offices are reminded that excess messenger envelopes should be returned to the Forms Warehouse, through the mail and distribution system, for reissue. The appropriate mailcode to use is "Forms Warehouse." (FF-S2-A)

USE OF FEDERAL PROPERTY: There are statutory and regulatory prohibitions against the use of Federal property, facilities, and equipment for personal purposes. These prohibitions apply to such items as Government vehicles, office supplies, FTS (Federal Telecommunications Systems), Datafax, computers and network capabilities, reproduction equipment, tools, and a variety of utility and other items. This also applies to equipment provided by the Government for contractor use and to items issued to the Government. Employees have a positive duty to protect and conserve such items and other property entrusted to them. (HM-A-3)

OIG: The Office of the Inspector General is the focal point within NASA for conducting audits and investigations to promote economy and efficiency and to prevent and detect fraud and abuse in NASA programs and operations. The OIG receives and investigates complaints or information about inefficiencies, mismanagement, or gross waste of funds; possible violations of law, rules, or regulations by NASA employees, contractors, or others; or substantial and specific danger to the public health and safety. The Inspector General will not disclose the identity of a person who provides such information without that person's permission, unless the Inspector General determines that disclosure is unavoidable during the course of investigation. NASA employees are protected by law from reprisal for making complaints or disclosing information to the Inspector General. At Kennedy Space Center, call: 867-4714, or call toll free: 1-800-424-9183, 24-hour answering service, or write: NASA Inspector General, P.O. Box 23089, L'Enfant Plaza Station, Washington, DC 20024. (OIG)

MISUSE OF THE NASA INSIGNIA: Use of the computer templates, containing the NASA Insignia, for the production of NASA letterhead in electronic form is not authorized and should be removed from all computer systems. The Associate Administrator for Public Affairs has requested all NASA centers use only the printed NASA letterhead stationery. "The use of computer file NASA Insignias to custom design stationery provides opportunities for image manipulation and standards degradation which will adversely reflect the professional image of the Agency." If not approved for specific applications, electronic images of the NASA Logo ("worm") and Insignia ("meatball") should be removed from computer systems. (FF-S2-A)

KSC LIBRARY: A new document, JSC-28484, "Program Requirements Document for Johnson Space Center Non-Critical Government Furnished Equipment," has arrived at KSC for distribution. If you are interested in getting on distribution for this document and future updates, please contact the KSC Library in writing at mailcode: Library-D or by email: ksc.library@ksc.nasa.gov. Please respond within one week of this announcement with, your name, mailcode and phone number. Please allow approximately two weeks for delivery. (FF-S2-A)

SPACEPORT INDUSTRIAL GOLF LEAGUE: The SIGL is now forming for the 2000 playing season. SIGL is a 2-person team, handicap, traveling league. It is open to all NASA and contractor personnel, both men and women (two-man teams, two-woman teams, or mixed teams are allowed.) Contact Richard Miller, SIGL President, at 861-3961 for an entry form. Entry to the league is limited to the first 144 PAID entries. Entries are on a first come—first served basis. All entries MUST BE IN NO LATER THAN FEBRUARY 25, 2000. There is a one-time entry fee of \$59 per person (\$118 per team) that covers all prizes for the year. The 2000 SIGL playing schedule is being completed at this time. The league will start March 18 at The Great Outdoors. There will be 10 tournaments plus the Club Championship.

BARRY UNIVERSITY: Barry University is now accepting applications for the next cluster of the Master of Science in Information Technology degree program which begins on April 10. The MSIT degree provides a unique interdisciplinary approach to technology and is the result of collaboration between the Information Technology, Computer Science and Business programs of the University. Courses are designed to bridge the gap between traditional computing theory and practical application by providing students the opportunity to study for recognized industry certification throughout the curriculum. Barry University will be holding an informational meeting on Friday, March 3, 2000 at 5 p.m. at it’s Merritt Island location, 135 East Merritt Avenue, Home Depot Plaza, on S.R. 3, for all interested students. To reserve your seat, request application information, catalog or any additional information, please call 453-6253 or email lgrant@mail.barry.edu.

WEBSTER UNIVERSITY: Registration for Spring 2 term is now open. Nine master’s degree programs offered. No GRE or GMAT required of graduates of regionally accredited institutions. See an advisor now to select a program that will help you achieve your professional goals. 5 terms per year; 9 weeks per term. Call 449-4500 or visit www.webster.edu/spacecoast.

PERSONALITY PREFERENCE TESTING: Robin Lusardi of our **CTAP** office is certified to administer and interpret **The Myers-Briggs Type Indicator** evaluation. Discover the real YOU! Capitalize on your personality type and communication skills. Robin will also meet with NASA work groups to discuss how working productively and smoothly requires an understanding of ourselves as well as our co-workers. Telephone Robin at **CTAP**, 867-4350.
